

DecisionHealth CEU Center FAQs

Where can I access my CEU quizzes? You can access your CEU quizzes on the new DecisionHealth CEU Center at <https://ceucenter.decisionhealth.com/>. The previous CEU Center, CourseWebs, is no longer active.

How does the CEU Center work? In this CEU Center you will be able to take an online quiz based on articles in your **respective subscription product** and/or **self-assessments** based on your credential, and earn CEUs for each quiz you pass. You may take the quiz as many times as needed to pass. Once you have passed your quiz, a certificate of completion will be available for download. Click on *Quizzes* to begin. Click on *My Quizzes* to view past quizzes you've taken and to download your CEU certificates.

How do I sign into the new CEU Center? Sign in with the same Email and Password you've established for your subscription product that offers the CEUs you're looking to claim. For example, if you're a subscriber to Part B News, you would use your Part B News log-in email and password to sign into the CEU Center and take the Part B News CEU quizzes. For AHCC members, you would use your AHCC log-in email and password to sign into the CEU Center and take the AHCC Insider CEU quizzes.

What if I can't remember my password? On the Log In page, click on the button to reset your password, but remember, this will reset your password for all your DecisionHealth and HCPro log-ins.

Can I access the CEU Center if I don't have a subscription to any DecisionHealth product that allows for CEUs to be earned? No. The CEU Center houses online quizzes based on articles in DecisionHealth **subscription products** and/or **self-assessments** based on AHCC credentials.

What if I'm an AHCC credential-holder, how do I access my Self-Assessments? Log into the new CEU Center in the following ways:

- Go directly to the CEU Center at <https://ceucenter.decisionhealth.com/>, and log in with the Email and Password you've established for your AHCC membership. Take your quizzes, and once you've passed, your credits will automatically be loaded into your CEU Tracker.
- OR
- Log into the AHCC website and access your CEU Tracker. Click on the link for the self-assessment quizzes you wish to take depending on your credential (HCS-D, HCS-O, HCS-H and/or HCS-C). This will launch the new CEU Center site. Log into the CEU Center using the same credentials you use to log into the AHCC website. Take your quizzes, and once you've passed, your credits will automatically be loaded into your CEU Tracker.

When can I take my AHCC self-assessments? AHCC CEUs can only be earned within your current recertification cycle, and not earlier. If you complete an AHCC self-assessment outside of your recertification cycle, your results will not be displayed, and you will have to retake the self-assessment.

Which AHCC self-assessments should I take once I'm in the CEU Center? Take the self-assessments only for the certification(s) you currently hold and for the correct year. If you take the self-assessments for a certification you currently do not hold or the incorrect year, the self-assessments and CEUs associated to the certificate are invalid. You may not use those CEUs towards another certification/re-certification held through AHCC or any other organization. If your User ID (Candidate ID) and Name do not match the information under your AHCC credential(s), you will not receive credit for your self-assessments. Please verify that the information is correct before you proceed.

After I pass my quiz, will my CEU certificate be emailed to me? No. Instead, you can easily access and download all your CEU certificates on the *My Quizzes* tab.

On the *My Quizzes* tab, what does the Quiz Date indicate? The Quiz Date indicates the date the quiz was added to the CEU Center. It does not indicate the date you took the quiz.

Where can I find CEU certificates for CEUs I earned in the old quiz center? CEU certificates from our old quiz center were emailed to you. Please check your email and spam folders for messages from noreply@coursewebs.com. If you cannot locate the CEU certificates, you can re-take the quizzes in the new CEU center. We have re-loaded all active quizzes going back one year to June 2025.
